

GOSSEN'S GREEN COMMITMENT

- 100% recyclable
- Sustainable life cycle reduces landfill waste
- Factory runoff recycled back into the manufacturing process
- Does not leach harmful chemicals
- Low maintenance to reduce use of VOC coatings and toxic cleaners
- Requires 50% less petroleum than other common plastics
- ARCAT and NFRC green-compliant for sustainable design

Porch

Porch flooring in Tuscan Cherry

*Old World Style built with
New World technology*

Gossen's porch flooring offers the 4 inch tongue & groove Old World look with a modern, ultra low-maintenance finish. Use in full sun or a covered porch for equally beautiful results.

Shown in Passport Tuscan Cherry, London Grey, Spanish Walnut and Moroccan Cedar

AMERICAN MADE

PASSPORT

Gossen Passport decking is the perfect marriage of style and function. It is low maintenance cellular PVC, but it looks just like real exotic hardwood. Nowhere else can you find a more perfect blend of beauty and performance. Build your next deck with Passport, and be transported to a whole new level of outdoor living.

Available in Tuscan Cherry, Spanish Walnut, London Grey, and new Moroccan Cedar

Introducing...

AMERICAN CLASSIC

Adding to our portfolio of unmatched beauty, Gossen is pleased to launch a new classic—American Classic. It's a high performance, low maintenance board with a soft wood grain pattern. Available in three shades— Island Sand, Harbor Grey and Desert Beige—there is a perfect complement for any style or color of home. Sustainable and fade resistant, it will be the same classic for years to come.

Available in Desert Beige, Harbor Grey and Island Sand

Deck

THE ORIGINAL

The Original began the Gossen decking tradition of excellence by setting the standard for performance. Its simple and refined look makes for a perfectly complementary outdoor living space. Now made with a deeper embossing technique, you get the quality you expect—enhanced. It is still, unmistakably, The Original.

Available in Dark Goldenrod, Sand, and Grey.
